

Quick Start Guide

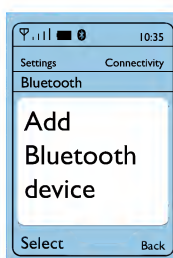

Philips Bluetooth stereo headset SHB6110

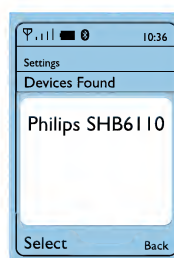

Make sure to “pair” your new Philips headset with your mobile phone before you use it for the first time.

1. Make sure the headset is charged, your mobile phone is turned on and its Bluetooth feature enabled.
2. With the headset turned off, press until the LED starts blinking red and blue alternately.
3. Pair the headset with your mobile phone. (Check your phone's user manual for details).
